# CONGRATULATIONS

## YOU'VE BEEN NAMED ONE OF THE (201) AREA'S TOP FAMILY DENTISTS 2023

(201) Magazine recently asked MSP Communications, publisher of *Super Dentists*®, to poll dentists throughout the area and find out who they would choose if they needed dental care within 7 different specialties, including:

- Orthodontics
- General Practice
- Pediatric Dentistry
- Oral and Maxillofacial Surgery

**The results are now in ... and you've been selected as one of (201) Magazine's Top Family Dentists 2023!**

We'll publish the complete list of honorees in the October 2023 issue of (201) Magazine and you'll have the opportunity to highlight your practice further by reserving a profile ad within our "Top Family Dentists" advertising section.

For one low price, we'll photograph you and your staff, conduct a phone interview, write copy and design your ad. We'll also supply you with an "As Seen in (201) Magazine" display board for your office.
